*S*TUDIES IN HONOUR OF ADAM
ZIÓŁKOWSKI ON THE OCCASION OF HIS
70TH BIRTHDAY, VOL. II

This second and final volume of the *Studies in Honour of Adam Ziółkowski on the Occasion of His 70th Birthday* has been in preparation for some time. It adds to the never-ending task of expressing gratitude to Adam, whose encyclopaedic knowledge, scholarly energy, remarkable eye for the previously neglected detail, and true gift of conceiving overarching syntheses, alongside his rare intellectual generosity, combined with his refreshingly critical nerve, have not failed to inspire admiration and friendship of his colleagues, students, and polemicists worldwide.

This volume also provides the list of Adam's publications beyond the bibliography published in the first volume as of 2022.
